PRESIDENT'S REPORT

This year we contested our 114th season in the WAFL. That is 113 years of being a very proud and successful club and everyone in this room is a part of our history.

Moving away from our partnership with the West Coast Eagles presented us with many challenges both on and off field. Success in football is often binary, either you win or lose. The challenge for us this year was knowing that the ultimate success of the season wouldn't be where our teams finished. So, what would our successful season look like?

Our first challenge was finding a new coach. Being able to have Club Legend Jeremy Barnard take the helm was a massive coup for the club. Apart from being a Premiership Captain, Life Member and Hall of Fame inductee, Barney is also a highly sought-after Coach specialising in development of younger players. He has proven to be a tremendous fit with his work, not only on field but around the club and with our Members and supporters as well.

Once we had our Head Coach the next challenge was rebuilding our list. At the end of last season, we made a commitment to our players that we would develop from within. A number of players who have graduated from our development program stepped up this season and showed signs that they can be regular League contributors for years to come. Strong showings in the Reserves and Colts also points to substantial talent coming through our development ranks.

We have worked extremely hard to make East Perth a sustainable club. All WAFL Clubs face the challenge of being financially viable and the Royals are no different. Some key outcomes the club have achieved in 2019 are.

- Membership Revenue – Up 35%
- Auction Profit of \$115,000
- Merchandise Sales – Up 61.2%
- Gate Receipts – Up 18%
- Venue Hire Revenue – up 103%

These highlights are amongst the many off field 'wins' the club had in 2019. This led the club to achieve an operating surplus of \$108,302. This is a huge achievement for the club, and we are one of the few WAFL clubs continuing to grow.

We were also proud of our efforts this year to recognise our proud history. It was the 100-year anniversary of our historic first Premiership. We recognised this by wearing a Heritage Jumper in our Round 12 clash against Perth and by releasing a book documenting the season that was.

The club also hosted the 7th Hall of Fame Induction. Our 2019 inductees were Frank Sparrow, Syd Jackson, Archie Duda, Grant Campbell and Craig Wulff. On the same day we celebrated our 1959 Premiership.

Throughout the year we said goodbye to Polly Farmer. Polly was not only one of our Legends but one of the greatest footballers to ever play Australian football. The celebration

of Polly's life by the football fraternity and Australian public was incredible. We look forward to honouring his memory by competing for the Polly Farmer Shield and continuing to work with the Polly Farmer Foundation.

On behalf of the Board I would like to thank all the coaches, team managers and volunteers for their efforts this year. As you always do, you have all gone above and beyond in ensuring the boys have the very best opportunity to play to their potentials each week. Your continued support is invaluable.

I would like to thank my Board of Directors for their work over the past 12 months. The club is entering an exciting time with many opportunities presenting themselves to the Club and this group is working tirelessly to ensure the future of East Perth is secure and will be successful.

To Dean Turner and his office staff well done on another great year and for putting together this function.

There is plenty of work to be done by all sections of the club in readiness for season 2020. I am personally very excited about 2020 and look forward to sharing it with you all.

Go the Mighty Royals

Bronte Howson
President
East Perth Football Club

CHIEF EXECUTIVE OFFICER REPORT

The 2019 season will be marked as a significant one in the long and proud history of our great club.

The process of rebuilding the club meant it was going to be difficult to place measures for us to gauge a successful year.

We began the season with a vast number of new or inexperienced players, a new coaching set up and a budget which had the club looking at losing up to \$100,000 for this year.

By the end of the year our football program had completed its first year out of our West Coast partnership and we

- had 16 League debutants
- beat both West Coast and Peel Thunder
- beat West Perth on WA Day
- won our first game in Round 2, proving many doubters wrong
- achieved an operating surplus of over \$100,000

I would like to congratulate the whole club for their efforts this year.

To Barney and his team of coaches and staff, the progress you have made in your first year together has been well recognised not only within our club walls but by the football public.

I would like to thank the Board of Directors for their continued guidance and efforts for 2019. Thank you to the club staff for your effort throughout the year. Football is a unique industry and the number of things that get thrown at us on a daily basis has to be seen to be believed.

I would also like to thank all my staff and our volunteers for the extraordinary effort they continue to put in year after year.

Whilst this recognition is nice, the stark reality to this is that we finished 9th. We will not be given the same grace for our performances in 2020 and beyond. As a club we will continue to develop our people to ensure the effort everyone is putting in is rewarded.

I am truly excited for 2020. 2019 was the beginning of a new chapter in our club's history and it is up to all of us in the room to make 2020 the year East Perth takes back its spot as a powerhouse of WA football.

LEAGUE COACH REPORT

The 2019 season marked a significant point in the rich history of our club. At the end of the 2018 season the board undertook a strategic decision to end our alignment with the West Coast Eagles and go stand alone for the 2019 season and onwards.

This decision then started a chain of events that culminated with the CEO Dean Turner and the Football Manager Ward Harris offering the Senior coaching position of the East Perth Football Club to myself. One I was proud to accept for the next 3 years.

Logistically then myself and my family had to pack our house and relocate over to Perth. Something that took considerable time and effort from my family to achieve, most notably my wife Stephanie.

The key questions I then asked myself in relation to Preseason were; What did it look like? Who was going to take part in the preseason? What were the key outcomes we wanted to deliver? How were we going to achieve these outcomes?

Once the planning phase was completed and our coaching staff was selected, we then had the task of creating a complete Senior squad for the 2019 season. This was always going to be a challenging task, considering the Eagles had supplied the Royals up to 15 league players every week.

So, we then undertook a Pre-season program aimed at educating our players in the new game plan, developing their skills to execute the plan, and get our players to the WAFL standard of strength and fitness.

As I'm sure the players and coaches alike would attest to, this was not an easy process. However, all concerned applied themselves to the best of their abilities, and we selected a squad to take the Mighty Royals into the 2019 season, and masters of our own destiny.

The season itself was a season of contrasts. We were able to win our 1st game in the 2nd round against Swan Districts. This in itself was not a huge feat, except the WAFL consensus was that we would not win a game at all. I believe this gave the players and the club great confidence that we would and could compete in the WAFL as a stand-alone team. We were also on the end of some serious defeats, which also highlighted to all the level we needed to get to if we want to be a strong football club once again.

There were a number of highlights throughout the year which I would like to point out;

- There were 12 debutantes for the EPFC in 2019
- A number of ex EPFC returned to the club to play league football
- The reserves team played in the 2019 finals series.
- Jackson Ramsay was selected to play state football against SANFL
- Jackson Ramsay and Rohan Kerr were selected in the WAFL team of the 2019 season
- Patrick MacGinnity played his 200th Game and was inducted into the WAFL 200 club
- We were able to overcome our traditional WAFL rival West Perth in the 1st Foundation game as a stand-alone club.
- We re-established with the players the Royals history and culture and underscored the importance of this.

- Most importantly, we re established preparing and playing to the Royals way of

“WE NEVER EVER GIVE UP”

There are a number of people who have played a selfless role throughout the season and must be thanked;

My wife Stephanie and my 3 children James, Tommy and Audrey for undertaking and embracing the big move from Melbourne at short notice

The President, board of the EPFC for putting their faith and support in me to lead the Mighty East Perth Football Club.

CEO Dean Turner and Mr John Wynne for their support and mentoring throughout the season, especially the tough times of the year. The Football Manager Ward Harris for his hard work and dedication to the role. My coaching staff, led by Senior Assistant Russell Thompson and ably supported by Chris Bolton, Jy King, Tim Hall, Adam McMahon.

The Reserves coaching team lead by Craig Hayden and supported by Matthew Hatch, Kim Beasland and Neville Williams.

The S&C team lead by Wes Sailsbury. The Medical department lead by James Grierson. The High-Performance Equipment Specialists lead by Frank Petopulous and Charlie Wright. The Match day Football Department led by Greg and Lisa Ferguson.

In finishing I would like to reference the upcoming 2020 season. There has been much commentary around the dominance of the Subiaco Football Club in participating in the last 6 WAFL grand finals and winning 4.

The East Perth Football Club too has had era's in which we dominated the competition, notably the 1920's, 1960's, 1970's and the 2000's. I believe it is incumbent on all who are internally involved and committed to the East Perth Football Club not to look outwards, but to challenge ourselves inwardly to fast track success. To achieve this, we must;

- Sacrifice more
- Work harder
- Start earlier
- Be more intense
- Be harder on each other
- Demand more of each other
- Always look to deliver a High-Performance club
- And always have strong attention to detail in everything we do.

In this I am reminded of the Chinese proverb ;

“ Out of the hottest fire comes the strongest steel “

I believe we will build on the foundations that have been set and look forward to leading the East Perth Football Club into a successful 2020 season.

Jeremy Barnard
League Coach.

RESERVES COACH REPORT

To me the 2019 season was filled with a lot of "NEW THINGS" from 2018.

- A new club Head Coach
- A new Reserves Head Coach
- A new coaching group that changed by 50%
- A new playing group that changed by 30%
- A new game plan

During a solid pre-season it was about getting our fundamentals or 'fundy's' right, understanding the new game plan, understanding the new coaches and players, trying to gel as quickly as possible and embrace the new club culture we were trying to establish. These things could not happen without hard work or having everyone buy in and embracing the change. This can be very tricky to say the least when you have so many different personalities within a club environment.

Before the season was under way all of the so called 'experts' had written East Perth off for the year. Now obviously the commentary is about the League, but I thought 'if they think that about the League then they would give our Reserves absolutely no chance of even winning a game for the year'. The reason behind my thinking was we want our best players playing league so if we are pushing our best performing players up, then where does that leave the Reserves as far as having players to be competitive and actually get some Win's on the board?

We went on and won 8 games from 16, which I believe is a great effort. The coaches' role for the Reserves is all about development and trying to get as many players ready for league football as possible. It is also to win games as well. I'm proud of the development our young group achieved throughout the season and the competition this placed for spots in the League side, whilst still managing to win enough games to play finals.

Some highlights for me during the year

- Our first win against Swan Districts Round 2 by 68 points
- Our come from behind win against Perth to win by 5 points Round 4
- Our must win game against our arch rivals in West Perth by 2 points after being down by 19 points a ¾ time.
- Making the finals against all odds
- Helping instil 'GRIT' into the players as they never 'ring the bell' or give in when they face adversity.
- Pushed up 17 players to play League football throughout the year.

I would like to say a few thankyou's and if I have left anyone out then I apologise.

To the Board and administration team thank you for your support and hard work through the year.

To Ward for all of the organisation you do in ensuring things run smoothly I thank you.

To Barney and the other coaches from the league, thanks for your support throughout the year. It's been a privilege to get to know you a little and work with you. Highlights were match committee on Tuesdays for the League when pizzas arrived and watching how quickly Windows inhaled them.

To my line coaches of the Reserves in Nev, KB and Hatchy, thanks so much for embracing the things I wanted to put in place throughout the year. Your commitment to the Rotals is fantastic and I really appreciate the hours you all put in. You should be proud of your efforts and it was an absolute pleasure to work with you guys in our own little team within the team.

To Lisa, Domsy, Wes, Swanny, Mick, Chris, Ken and your team, thank you so much for the massive efforts you all give throughout the year and ensuring the players are well looked after.

To Petro and your team your efforts are simply massive and your love to East Perth is very clear for all to see. Keep polishing your balls Petro!

Finally to the playing group. It is pleasing that we got to experience some wins against the odds this year. What is more pleasing, is to see you grow as adults both on the field and with life in general. Keep working hard, adjust your goals as you need to and give nothing short of 100% in anything that you do. Nothing ever comes easy without hard work both in life and football. So, head down bum up when the pre-season starts and push hard to play league football for the East Perth Football Club.

Craig Hayden
Reserves Coach

COLTS COACH REPORT

I would like to thank the East Perth Football Club for their support in 2019, thanks to Dean, Ward and Jeremy for their guidance throughout the season. The colts' program would also like to thank Frank Petropoli for the time and energy he puts into our program and the support he gives our players. The past players have been an integral part of the colts' program for a long time and the support they have provided our program is greatly appreciated.

After reflecting on the 2018 season, the colts' program and players identified three key areas for improvement. The first was to increase our training standards, the group wanted to be able to replicate match intensity within training sessions. This would enable individual players and the team to compete for longer periods against the best teams in the competition. The group embraced this mantra from the start, training at a very high standard and demanding greater intensity from each other, this was a highlight of our pre-season training and continued on into the season. The way we trained allowed the team to be highly competitive in matches and show far greater consistency throughout the season.

The second area was to become a close knit group and build lasting connections. This was done through two day camps up in Perth, where the focus was on team building and relationship building rather than solely on training. The players were split into four separate teams throughout the pre-season and were given a number of challenges, some football related, while others were around training attendance, and included challenges like an amazing race around Leederville. The most significant driver in the process was a two-night camp held in Manjimup towards the end of pre-season where we saw a significant change in the group dynamics and how the team interact with each other.

The third area we focused our attention on was our fundamental skills. The key was to complete these fundamentals at a higher level and higher intensity. Throughout the season we saw great improvement in our skills with the ball, but the highlight was certainly our ability to win the ball and get the ball back of the opposition.

Reflecting on our season, it was a lesson for all our squad members what you can do with hard work and effort. Our players embraced, trying to improve and get better at each session. An attitude that allowed us to be highly competitive throughout the season and finish in the top 5. Players came to training, with purpose and intent to become better as individuals, which certainly improved the way we played as a team.

We played some of our best football of the season in our Elimination final against Swan District. The amount of pressure we were able to apply to the opposition was outstanding and was the catalyst for our 4-goal win. It was our most even performance of the season with all 23 players contributing and playing their role.

As many positives as there were this season, we weren't able to climb Everest. There were some valuable lessons learned, which the entire playing group should take with them as they progress with their football. The two that stick out the most are the Round 20 game against Subiaco, with third place on the line and a second chance in the finals available. We gave up a 4 goal lead in the last quarter. A lesson to always play the moment, not the scoreboard and that you need all players pulling in the right direction and playing their role.

The last was our final v WP where, we had a group of players who expected to win and thought we would show up and get the job done. A hard lesson to learn and one that hope sticks with you all.

Please don't get me wrong, I am incredibly proud of the season we have had, but it is important that we learn from our mistakes and strive to become better. Our vision was to become the benchmark in the competition and create an elite environment. I believe we created an elite training environment of the back of our players investing in the program and our staff being committed to the vision.

I would like to thank our entire staff for their commitment to the program – starting with our physio Tom Valentine and his medical team, the work you have done this year with the availability of players and the individual management of players has been outstanding. This has been strongly supported by Alex Vernon our High-Performance Manager. Alex has been with the program for the last 5 years and has created a high-quality program.

I would like to thank our coaching staff, for driving our standards and giving up their time to create an environment that gives our players the opportunity to improve. Damian Shannon joined the program this year and has added a wealth of experience and a calming influence on the coaching group and the players. Daniel Curtis worked with the defence group this year and built strong relationships with the group and was able to get the best out of a number of his group. Jason Thompson who is the experience head in the group, he continued to be a great mentor to me and was a constant reminder to coach the basics, something that held us in great stead. Mick Gladwell has been amazing; he is so invested in this group of young men and is prepared to do anything to support them. He continually gives up his time to support the players and to give them the best opportunity.

I would like to thank Nick Di Campli, without him the program wouldn't be the program it is. He is the first at training, the last to leave, he never misses a session and more importantly his relationship with the players creates a positive environment for them. He is a passionate East Perth man and is the life blood of the club.

To Scott Faulkner our talent manager, thanks for your ongoing support and efforts. I am clearly, not the easiest coach to manager. I appreciate your ability to challenge me and the program to ensure we are making the right decisions and that we are creating the best possible program.

Thank you to all the parents and families for their support of our program, we have asked more of your boys this year and we appreciate your support throughout the season. I hope you were able to enjoy the ride this season and, took pleasure out of seeing the development of your sons as footballers and as young men.

Lastly, I would like to thank the entire playing group, what you were able to do this season was outstanding. I am extremely proud of the development in you all, you committed to improving and invested in the program and you have all seen the rewards of hard work.

Garry Moss
Colts Coach

PAST PLAYERS & OFFICIALS REPORT

2018 was a very hard year for the Royals. Because the WAFL took over the running of the Colts and Development squads our turnover was considerably down on previous years. We still supplied players' teas and support to the Colts and fed them and opposition players at home games. Our Canteen turnover suffered with patronage down whilst costs continued to increase.

The small gang of volunteers continued to assist the Club with "working bees" to modernise the office foyer, painting different areas and carrying out general repairs to Club premises.

This year, as in previous years, the Past Players have provided trophies to all grades of our Club. Congratulations to all winners for 2018.

Our half-time get togethers were not as well attended as in past seasons, however, the refreshments were top class - as usual - provided by Mike and Jo Higgins with help from Max Gibson, Linda and Russell Thompson and Joe McKay.

At the annual Combined Past Players' lunch for all WAFL clubs held at Leederville Bowling Club, East Perth member Joe McKay won the Bernie Hughes Memorial Award for service to the activities of the Past Players' Association. We congratulate Joe.

Now it is the start of a new football year, and new beginnings we hope for East Perth with a fully representative club playing in the blue and black again.

With a true Royals coach, Jeremy Barnard, in charge I am sure we will build up our playing stocks in the coming seasons. Already we, the

Past Players' committee, have had the pleasure to become involved with Jeremy, his coaching staff and players.

We were invited to a team meeting during training at Beechboro's Altone Park training ground and introduced to all pre-season players. Jeremy's infectious nature was evident when addressing his players. We were warmly welcomed and after training we gave everyone a players' tea. The enthusiasm for hard work was evident at this training night.

2019 is going to be a hard year for our Club and it will take a lot of hard work and dedication from all of us to make the Royals a leading club in the WAFL. With this in mind, I am asking all present, past and future members of the Past Players and Officials Association to get on board to achieve the success we know will come with teamwork. I am prepared to put my name forward to nominate for the President's position again. All my fellow committee members have indicated they will stand with me. All have given their assurance to make this a happy and enjoyable season for all members. Fellowship is what keeps our club going. You will always be welcome at East Perth.

In closing, may I take this opportunity to thank all volunteers who help us throughout the season. Thanks also to office and bar staff for our excellent working relationship. It certainly makes for a happy Club.

Drawn Games To 2018

In its 112-year history East Perth has only participated in 17 drawn games. The Club has drawn games with all clubs except Peel Thunder.

1937 was a bad year for any East Perth supporter with a weak heart.

The Royals figured in three drawn games, all at Perth Oval. The Club began the season with a drawn game against Claremont, tied with West Perth in Round 4, and finished all square with eventual premier East Fremantle in Round 21
